Re: Hopatcong Borough Planning Board -
Hopatcong Adult LLC

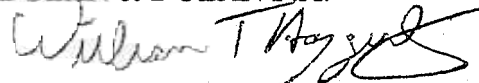

Dear Mr. Kienz:

The Hopatcong Borough Planning Board, at its meeting on September 6, 2005, reviewed your letter requesting a postponement of the hearing scheduled for September 20th. As you are aware, the Planning Board is concerned about the numerous postponements of the hearing of the application. The Planning Board did not make a determination in regard to your request for a postponement of the hearing. The Planning Board directed that I prepare a letter to you requesting your attendance at the September 20th meeting which will be held at the municipal building. Please be prepared at the meeting to provide a status report. The Planning Board will make a determination at the meeting in regard to whether to grant a postponement or dismiss the application without prejudice.

No substantive testimony will be taken as to the application. Any substantive hearings would require new notice and compliance with the requirements of Municipal Land Use Law.

Should you have any questions about the matter, kindly contact me.

Very truly yours,
DOLAN & DOLAN P.A.

William T. Haggerty
